FIRST AID: IF ON SKIN Wash with plenty of water. If skin irritation occurs, get medical advice / attention. **IF INHALED** Remove person to fresh air and keep comfortable for breathing. **IF IN EYES** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists get medical advice / attention.

STORAGE AND DISPOSAL: STORAGE Store in a well-ventilated place. Keep container tightly closed. Store locked up. **DISPOSAL** Dispose of contents / container in accordance with local / regional / national regulations.

BENEFITS: GreensKing™ 20-1-16 MICRO with Nutralene™

- A premium quality green and tee fertilizer designed for soils requiring an ideal NPK fertilizer with secondary and micronutrients.
- Contains NUTRALENE™ for extended nitrogen release for 12-16 weeks while reducing the growth rate and minimizing leaching and volatilization. The micronutrients in this formula help to improve color response.
- Uniform micro particle size of this product ensures even distribution on closely mowed turf with a minimum of mower pick-up.
- Regular feeding with this product will contribute to a strong turf with an excellent color, improved resistance to wear, disease and environmental stress.

CAUTION: This product contains Boron. Use of this product at rates other than those recommended, may cause injury to susceptible plants.
